THE MONSTERS KNOW WHAT THEY'RE DOING:
Combat Tactics for Dungeon Masters
 Hardcover * October 2019

JRS
Nonfiction

From the creator of the popular blog *The Monsters Know What They're Doing* comes a compilation of villainous battle plans for Dungeon Masters. In the course of a Dungeons & Dragons game, a Dungeon Master has to make one decision after another in response to player behavior—and the better the players, the more unpredictable their behavior! It's easy for even an experienced DM to get bogged down in on-the-spot decision-making or to let combat devolve into a boring slugfest, with enemies running directly at the player characters and biting, bashing, and slashing away. In *The Monsters Know What They're Doing*, Keith Ammann lightens the DM's burden by helping you understand your monsters' abilities and develop battle plans before your fifth edition D&D game session begins. Just as soldiers don't whip out their field manuals for the first time when they're already under fire, a DM shouldn't wait until the PCs have just encountered a dozen bullywugs to figure out how they advance, fight, and retreat. Easy to read and apply, *The Monsters Know What They're Doing* is essential reading for every DM.

A high fantasy debut with a high-stakes heist set in a gritty world with an ensemble cast of characters. Ryia Cautella is a callous and brazen mercenary working for a criminal syndicate in the slums of the dockside city of Carrowwick. In just over a year's time she's already earned herself a reputation as the quickest, deadliest blade in the city - not to mention the sharpest tongue. But Ryia Cautella is not her real name. For the past six years a deadly secret has kept Ryia in hiding, running from city to city, doing whatever it takes to stay one step ahead of the formidable Guildmaster - sovereign ruler of the five kingdoms of Thamorr. No matter how far or fast she runs, his servants never fail to track her down... But even the most powerful men can be defeated. Her path now leads directly into the heart of the Guildmaster's stronghold, and against every instinct she has, she knows it's not a path she can walk alone. Forced to team up

with a crew of assorted miscreants, smugglers and thieves, Ryia must plan her next moves carefully. If she succeeds she wins her freedom once and for all, but unfortunately for Ryia, her new allies are nearly as selfish as she is... and they all have plans of their own.

Roanhorse, Rebecca
BLACK SUN: Book #1 from Between Earth and Sky
 Hardcover * October 2020

JM
Fiction

From New York Times bestselling author of *Star Wars: Resistance Born* comes the first book in the *Between Earth and Sky* trilogy inspired by the civilizations of the Pre-Columbian Americas and woven into a tale of celestial prophecies, political intrigue and forbidden magic. In the holy city of Tova the winter solstice is usually a time for celebration and renewal, but this year it coincides with a solar eclipse, a rare celestial event proscribed by the Sun Priest as an unbalancing of the world. Meanwhile, a ship launches from a distant city bound for Tova and set to arrive on the solstice. The captain of the ship, Xiala, is a disgraced Teek whose song can calm the waters around her as easily as it can warp a man's mind. Her ship carries one passenger. Described as "harmless" the passenger, Serapio, is a young man, blind, scarred, and cloaked in destiny. As Xiala well knows, when a man is described as harmless, he usually ends up being a villain.

Crafted with unforgettable characters, Rebecca Roanhorse has created an epic adventure exploring the decadence of power amidst the weight of history and the struggle of individuals swimming against the confines of society and their broken pasts in the most original series debut of the decade. Rebecca Roanhorse is the *New York Times* bestselling author of *Star Wars: Resistance Reborn* as well as the recipient of a Hugo, Nebula, and the Intrepid awards. She lives in northern New Mexico with her husband, daughter, and pug. Find more at rebeccaroanhorse.com and follow her on Twitter @RoanhorseBex. Her *TRAIL OF LIGHTNING* won a 2019 Locus Award for Best First Novel, and was a finalist for the Nebula, Hugo, and World Fantasy awards. Her *The Sixth World* series has sold in the UK, Catalan, Czech, French, German, Hungarian, Korean, Romanian, Russian, and Turkish.

Fiction

Kai and Caleb Goodacre have been kidnapped just as rumors of a cult sweeping across the reservation leads Maggie and Hastiin to investigate an outpost, and what they find there will challenge everything they've come to know in this "badass" (*The New York Times*) action-packed sequel to *Trail of Lightning*. It's been four weeks since the bloody showdown at Black Mesa, and Maggie Hoskie, Diné monster hunter, is trying to make the best of things. Only her latest bounty hunt has gone sideways, she's lost her only friend, Kai Arviso, and she's somehow found herself responsible for a girl with a strange clan power. Then the Goodacre twins show up at Maggie's door with the news that Kai and the youngest Goodacre, Caleb, have fallen in with a mysterious cult, led by a figure out of Navajo legend called the White

Locust. The Goodacres are convinced that Kai's a true believer, but Maggie suspects there's more to Kai's new faith than meets the eye. She vows to track down the White Locust, then rescue Kai and make things right between them. With the aid of a motley collection of allies, Maggie must battle body harvesters, newborn casino gods and, ultimately, the White Locust himself. But the cult leader is nothing like she suspected, and Kai might not need rescuing after all. When the full scope of the White Locust's plans are revealed, Maggie's burgeoning trust in her friends, and herself, will be pushed to the breaking point, and not everyone will survive.
